Brian,

At our upcoming Council meeting, there is a desire to talk about a few different aspects of City signage. One of those aspects is having signage in neighborhoods notifying drivers that ALPRs are recording them. The idea is that the signage might act as a deterrent. I'm not sure how the whole Council feels about the signage, but I'm looking into it nonetheless. By any chance, are you familiar with such signage about ALPRs in the area as a deterrent?

Thanks,

Kevin
